

# ROMAN DAZE

BY BRONTÉ DEE JACKSON

“It took only three days to fall in love with Rome. Like all infatuations, I expected it to wear off. I decided that I would leave when I no longer noticed the Coliseum. I am still waiting.”

Twenty years ago, Bronté Jackson bought a raffle ticket from a friend and won an airline ticket that thrust her into the heart of the Mediterranean. Recently separated, made redundant and evicted from her home, Bronté spent six months recovering in Greece and spending her redundancy package before making her way to Rome. *Roman Daze* is a book about living a personal and continuously surprising adventure, following your heart and what it's like to live amongst people who continuously use theirs!

In *Roman Daze: La Dolce Vita for All Seasons*, Bronté Jackson describes how the seasons, food, family, landscape, rituals and history combine to create and explain the Italian lifestyle and why, from the outside, it looks like *La Dolce Vita*.

Bronté Jackson's perceptive and humorous memoir takes your hand as she walks through the streets of the city, infects you with her passion for Rome, its quirks and eccentricities and debunks a number of the myths of *La Dolce Vita*.
