

The Dominatrix Next Door

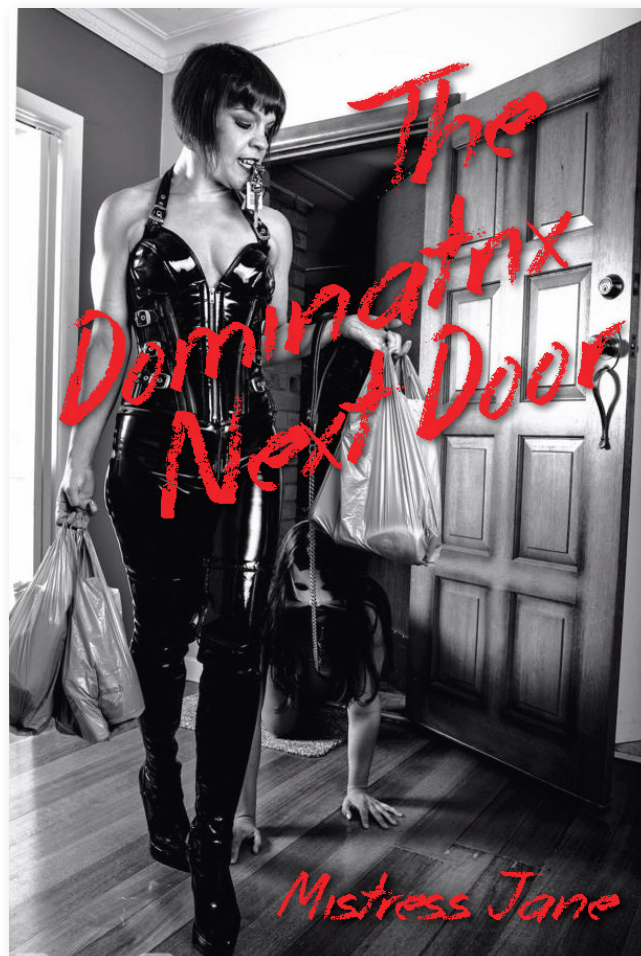

Mistress Jane

Mother by day, Dominatrix by night.

When a cash-strapped single mother of two in suburban Melbourne has a fun idea to start a side hustle running workshops for hens' parties, she has no idea it will lead her on a surreal adventure (or twenty) through the debaucherous underground world of kink clubs and swingers' parties. Nor does she know that it will bring her out on the other end as one of Australia's most recognised Dominatrixes.

But how do you juggle such an extreme double life? Especially with a scorned ex-husband on your heels baying for blood, and the local school mums needing you at the bake sale on a Saturday morning?

In a tale far too extreme to have been made up, Mistress Jane has penned a memoir that is both a salacious tell-all and a love letter to Melbourne's BDSM community. Complete with celebrity encounters, exciting opportunities, and lessons in kink, love, and parenthood, she shows us how having multiple identities is not only possible, but incredible, and that some mums really are superheroes—they might just use their rope and masks in a different way than you'd expect.

The Author

Mistress Jane is the Melbourne-based kinkster, fetish queen, sex nerd and mother of two (but not in that order). Whether hosting hens' parties and club events, writing, podcasting, or running workshops, she imparts her unique brand of flirtation and female empowerment to everything she touches. An unashamed sex-positive feminist with a passion for entertaining and educating, a fascination with anything fetish, and a particular love of latex, Mistress Jane is excited to bring her message to the masses with this, her first memoir. Full of her special brand of deviance, humour and heart, she has honed her voice over the last decade of dominating the Melbourne scene she holds so dear.
